HITV V2000

### Infotainment for your delight driving experience

HITV's enthusiasm for technology in all segments of modern automotive electronics enabled us to offer our customers solutions in many different areas. With HITV infotainment products we offer flexible, quality, innovative, soon and scalable solutions to integrate over in highly complex systems - Navigation, TV, Multimedia, Phone, Telematics, Video and Audio.

Even if your vehicle is a special designed shape that's hard to modify or upgrade, the innovative spirit of HITV design knows no bounds. It flourishes regardless of the challenges. HITV's customised factory-fit design infotainment unit with integrated vehicle system CAN / MOST signals provides the highest connectivity to your vehicle assets.

### HiLink iPod Interface

Love your iPod? Take it for a ride in your Volkswagen with VW's new HiLink series. With HiTV's iPod interface technology, now you can select your favorite songs using head unit buttons. Better yet, when it's connected, it integrates your iPod to integrate and remain all your iPod control wheel functions giving your passengers freedom to continue playing with the iPod. No cutting wires and no external modifications to your original exterior, even two more audio inputs for future upgrade. HiLink turns your Volkswagen into a music and audio bus.

### HiLink AV Interface

Get the most out of your Factory 7.1 screen with reverse sensitive digital TV. HiLink's Factory 7.1 Concept is designed to bring you convenience and benefit to your original factory valuable main LCD system and all original functions in your original vehicle. Here, it's plus, it integrates original button controls with much more advanced features and benefits to your valuable asset.

HiLink Interface

Don't sacrifice the factory 7.1 screen function, HiLink is fully compatible. With no interior modifications and cutting wires, you can value up your valuable assets with HiLink A/V interfaces and experience the ultimate driving enjoyment.

Headrest colours

HiTV is dedicated to provide you the original look with a wide range of colours and luxurious leather texture.
